## **CHARACTERISTICS OF GEM**

**GEM has been positioned as a market designed to accommodate small and mid-sized companies to which a higher investment risk may be attached than other companies listed on the Stock Exchange. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration.**

**Given that the companies listed on GEM are generally small and mid-sized companies, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board and no assurance is given that there will be a liquid market in the securities traded on GEM.**

## LETTER FROM THE BOARD

### RE-ELECTION OF RETIRING DIRECTORS

As at the Latest Practicable Date, there were four Executive Directors, namely Mr. Wong Seng, Ms. Leow Geok Mui, Mr. Lim Chin Keong (“**Mr. Lim**”) and Mr. Heng Kim Huat (“**Mr. Heng**”); and three INEDs, namely Dr. Tan Teng Hooi (“**Dr. Tan**”), Mr. Ng Shing Kin (“**Mr. Ng**”) and Mr. Leong Jay.

Article 84(1) of the Articles of Association provides that at each AGM, one-third of the Directors for the time being, or, if their number is not three or a multiple of three, then the number nearest to but not less than one-third, shall retire from office by rotation provided that every Director shall be subject to retirement by rotation at least once every three years. A retiring Director shall be eligible for re-election. According to article 84(2) of the Articles of Association, the Directors to retire by rotation shall include (so far as necessary to ascertain the number of directors to retire by rotation) any Director who wishes to retire and not to offer himself for re-election. Any Director who has not been subject to retirement by rotation in the three years preceding the AGM shall retire by rotation at such AGM. Any further Directors so to retire shall be those who have been the longest in office since their last re-election or appointment and so that as between persons who became or were last re-elected Directors on the same day, those to retire shall (unless they otherwise agree among themselves) be determined by lot. Accordingly, Mr. Lim, Mr. Heng, Dr. Tan and Mr. Ng (collectively, the “**Retiring Directors**”) shall retire by rotation at the 2025 AGM and being eligible, will offer themselves for re-election at the 2025 AGM.

According to the GEM Listing Rules and the board diversity policy of the Company, the Nomination Committee will, among other things, undertake the nomination and selection of independent non-executive Director candidates on the completion of their specified terms and make relevant recommendations to the Board.

Furthermore, when changes to composition of the Board or members of any committee of the Company are required or when casual vacancies arise, the Nomination Committee shall adhere to the principles stated in the Board Diversity Policy. The Nomination Committee will take into account the existing composition of the Board and the business requirements of the Group, and nominate potential candidates by reference to their capacity and the selection criteria to the Board for approval.

The Nomination Committee had, among other matters, evaluated the performance of each of the Retiring Directors during the period from their respective dates of appointment to 31 December 2024 and found their performance satisfactory.

The Nomination Committee has also assessed and reviewed the annual confirmation of independence based on the independence criteria as set out in Rule 5.09 of the GEM Listing Rules received from each of the INEDs and confirmed that all of them remain independent.

Accordingly, the Nomination Committee recommended to the Board that all of the Retiring Directors stand for re-election as Directors at the 2025 AGM. As a good corporate governance practice, each of the Retiring Directors abstained from voting at the relevant Board meeting on the respective propositions of their recommendations for re-election by the Shareholders at the 2025 AGM.

## LETTER FROM THE BOARD

Dr. Tan and Mr. Ng have met the independence criteria under the GEM Listing Rules. Moreover, both Dr. Tan and Mr. Ng has given confirmation of independence to the Company. With due consideration on the above factors, the Board believes that Dr. Tan and Mr. Ng are independent.

In view of the knowledge, experience and skills of Dr. Tan and Mr. Ng in internal control, corporate governance and compliance, the Board believes that his expertise will enable him to fulfill his role as an independent non-executive Director effectively and can provide useful and constructive opinion and make contribution to the Board and future development of the Company.

Based on the background of Dr. Tan and Mr. Ng including but not limited to gender, cultural and educational background, ethnicity, professional experience, skills and knowledge, it is believed that Dr. Tan and Mr. Ng can contribute to the diversity of the Board.

Having considered the above aspects and in view of the contribution that Dr. Tan and Mr. Ng have made to the Board, their re-election will be in the best interests of the Company and its Shareholders as a whole.

The biographical details of each of the Retiring Directors to be re-elected at the 2025 AGM are set out in Appendix I to this circular in accordance with the relevant requirements under the GEM Listing Rules.

Neither the explanatory statement nor the proposed granting of the Repurchase Mandate has any unusual features.*

The GEM Listing Rules permit companies whose primary listing is on GEM to repurchase their fully-paid shares on GEM subject to certain restrictions, the most important of which are summarised below:

#### **1. SHAREHOLDERS' APPROVAL**

All proposed repurchase of shares on the Stock Exchange by the Company must be approved in advance by the Shareholders by an ordinary resolution of the Company, either by way of a general mandate or by a specific approval to the Directors.

Under the GEM Listing Rules, the Company is prohibited from knowingly purchasing Shares on the Stock Exchange from a core connected person.

As at the Latest Practicable Date, to the best knowledge of the Directors having made all reasonable enquiries, no core connected person of the Company has notified the Company that he/she/it has a present intention to sell any Shares to the Company or has undertaken not to sell any of the Shares held by him/her/it to the Company in the event that the Repurchase Mandate is approved by the Shareholders.

#### **4. REASONS FOR REPURCHASES**

The Directors consider that the Repurchase Mandate is in the interests of the Company and the Shareholders as a whole. An exercise of the Repurchase Mandate may, depending on the market conditions and funding arrangements at the time, lead to an enhancement of the net assets value per Share and/or earnings per Share and will only be made when the Directors believe that a repurchase will benefit the Company and the Shareholders as a whole.

Subject to the compliance with the GEM Listing Rules and all applicable laws and regulations, the Company may cancel any Shares it repurchased and/or hold such Shares as treasury shares for subsequent sale or transfer subject to consideration of factors including market conditions and the Group's capital management needs at the relevant time of the repurchases.

## 5. FUNDING OF REPURCHASES

Pursuant to the Repurchase Mandate, repurchases would be funded entirely from the Company's funds legally available in accordance with the laws of the Cayman Islands and the Articles of Association for such purpose.

## 6. IMPACT ON WORKING CAPITAL OR GEARING POSITION

An exercise of the Repurchase Mandate in full may have a material adverse impact on the working capital or gearing position of the Company as compared with the position of the Company as disclosed in the audited consolidated financial statements for the Year contained in the Annual Report. However, the Directors do not propose to exercise the Repurchase Mandate to such extent as would, in the circumstances, have a material adverse impact on the working capital or gearing position of the Company, which in the opinion of the Directors is from time to time appropriate for the Company.

## 7. SHARE PRICES

The highest and lowest market prices at which the Shares had been traded on GEM during each of the previous twelve months and up to the Latest Practicable Date were as follows:

## 8. DIRECTORS AND THEIR CLOSE ASSOCIATES

None of the Directors nor, to the best of their knowledge having made all reasonable enquiries, their respective close associate(s), has any present intention to sell to the Company or any member of the Group any of the Shares if the Repurchase Mandate is approved at the 2025 AGM.

## 9. GENERAL

The Directors have confirmed that so far as the same may be applicable, they will exercise the powers of the Company to make repurchases pursuant to the Repurchase Mandate in accordance with the GEM Listing Rules and the applicable laws of the Cayman Islands.

To the extent that any treasury shares are deposited with CCASS pending resale on the Stock Exchange, the Company will adopt appropriate measures to ensure that it does not exercise any shareholders' rights or receive any entitlements which would otherwise be suspended under the applicable laws if those shares were registered in the Company's own name as treasury shares. These measures may include approval by the Board that: (i) the Company will not (or will procure its broker not to) give any instructions to Hong Kong Securities Clearing Company Limited to vote at general meetings for the treasury shares deposited with CCASS; and (ii) in the case of dividends or distributions, the Company will withdraw the treasury shares from CCASS, and either re-register them in its own name as treasury shares or cancel them, in each case before the record date for the dividends or distributions.

## 10. EFFECT OF THE TAKEOVERS CODE

If on the exercise of the power to repurchase Shares pursuant to the Repurchase Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of Rule 32 of the Takeovers Code. As a result, a Shareholder or group of Shareholders acting in concert could obtain or consolidate control of the Company and become(s) obliged to make a mandatory offer in accordance with Rules 26 and 32 of the Takeovers Code.

As at the Latest Practicable Date, as far as the Directors are aware, WMCH Global Holdings Limited was interested in 382,950,000 Shares, representing 53% of the issued Shares (excluding treasury shares, if any). WMCH Global Holdings Limited is owned as to 55%, 20%, 17.5% and 7.5% by Mr. Wong Seng, Ms. Leow Geok Mui, Mr. Lim Chin Keong and Mr. Heng Kim Huat respectively. Based on such shareholdings and in the event that the Directors exercised in full the power to repurchase Shares pursuant to the Repurchase Mandate (and assuming all such repurchased shares are subsequently cancelled), the shareholding of WMCH Global Holdings Limited would be increased to approximately 83.33% of the issued Shares (excluding treasury shares, if any). Such increase would not give rise to an obligation to make a mandatory offer under Rule 26 of the Takeovers Code but would reduce the percentage of Shares held by the public to below the prescribed minimum percentage of 25% required by the Listing Rules.

The Directors will use their best endeavours to ensure that the Repurchase Mandate will not be exercised to the extent that the number of Shares held by the public being reduced to less than 25% as required under the Listing Rules.

**11. SHARES REPURCHASE MADE BY THE COMPANY**

No repurchases of Shares have been made by the Company (whether on the Stock Exchange or otherwise) since the Listing Date up to the Latest Practicable Date.
